

## Oven Fried Chicken

½ cup Bread Crumbs (I like the Progresso Italian Seasoned one)

1 tsp Oregano

1 tsp Salt (I use ½ tsp garlic salt + ½ tsp Lowreys seasoned salt)

¼ tsp Garlic Powder

¼ tsp Pepper

¼ tsp Basil

¼ cup grated Parmesan Cheese

Mix all ingredients together and place in a large ziplock. Place one piece of chicken in the ziplock at a time and shake well to coat. Place on rack not touching if possible.

Bake at 350 degrees until it is 180 degrees. I use the probe with alarm.

If you want extra crispy, after temperature reaches 180, switch broil on and bake for an additional 2-3 min more but watch so it doesn't burn.
