

Ice Cream

Ingredients

- . 1 box Jello instant pudding (Chocolate or Vanilla)
- . Ice Cubes
- . 1/4 cup sugar
- . 2 cups milk
- . 1 cup evaporated milk or Half and Half
- . Salt (ice cream salt recommended, they sell this at Walmart and most grocery stores)
- . Candy Sprinkles or Chocolate Syrup

-Combine pudding and two cups of milk in a large mixing bowl. Beat 2 minutes. Stir in sugar and evaporated milk.

- Pour into 2 Quart sized Freezer Ziplock Bags. Put about 2 cups of ice cubes into each Gallon ziplock and about 1/4 cup ice cream salt.

- Place the quart sized bag with the ice cream mixture into each of the gallon bags. Let out as much air as possible. And about a 1/4 cup ice cream salt.

-Add about 2 cups of ice in the bag and shake, shake, shake. Shake about 10 minutes or until frozen. It will have a soft serve consistency.

- Scoop into bowls or small dixie cups for the classroom. Add sprinkles, chocolate syrup and other toppings.

- Freeze any extra ice cream.
