

## Plaster of Paris Ornaments

**DESCRIPTION** Toddler Activities: Using silicone molds with plaster of paris, make decor for all occasions. Hang as an ornament or use as a paper weight or decorative piece.

### MATERIALS

- Plaster of Paris
- Wilton Silicone Molds
- Container and spoon to mix plaster
- Tempera or Acrylic Paint
- Brush

### OTHER MATERIALS

If you want to be able to have the option to hang it up:

- Yarn or Ribbon
- Acrylic sealer spray if you want to add shine. (Parent step only)

### STEPS

1. Mix plaster in container according to directions.
2. Fill Mold with Plaster.
3. If you want to hang: Let dry for 2 minutes, then attach ribbon by pressing it gently into plaster at top of heart or whatever shape you are making.
4. Let dry and pop out of the mold.
5. Paint and let dry.
6. An iridescent or glitter paint will add shine or you can spray with Acrylic Sealer.
