

Popsicle Snowflakes

DESCRIPTION

Make your own snowflake designs with popsicle sticks and rhinestones, glitter or buttons!

MATERIALS

- Popsicle Sticks
- Non Toxic Craft Glue such as Aleene's Tacky Glue
- White Paint (Tempera or Ceramcoat)
- Glitter (silver, irridescent, and light turquoise blue)
- Rhinestones

OTHER MATERIALS

- Paint Palette or paper plate
- Brushes
- Newspaper
- Scissors
- Newspaper to work on
- Fishing line, white yarn or pipe cleaner to hang
- Other decorations suggestions are: Sequins, pom poms, stickers, glitter glue.

STEPS

1. Read a book(s) about snowflakes. A suggestion is Tiny Snowflake picture book.
2. Line table with newspaper. Lay the first popsicle stick flat on the newspaper. Place a drop of glue on the middle of the first stick, lay the second stick on top. Place a dot of glue on the second stick and lay the third stick on top. This should form the snowflake shape. Let dry.
3. When secure, paint your snowflake white.
4. Add glitter while paint is wet. Let dry.
5. Have rhinestones ready to glue.
6. Glue on to the popsicle sticks. Let dry.
7. Using craft glue or glue gun, glue a loop of ribbon, white pipe cleaner to hang. If making a mobile, tie a piece of fishing line to your snowflake and secure to a hanger.
