

# THANKSGIVING

1

In 1620 the Pilgrims came to America on a ship named the *Mayflower*.

2

They built houses and fences from trees.

3

They planted gardens, hunted wild animals and caught fish.

4

They made friends with the Indians. The Indians taught the Pilgrims how to plant corn.

5

The Pilgrims were thankful for good friends, plenty of food and new homes. They had a dinner to celebrate and invited the Indians.

6

Every year in November we have a Thanksgiving dinner with turkey. We give thanks for our blessings, too.
