

Foam Valentine's Pins

DESCRIPTION

A cute pin for your child or make a set for their classmates. Also a great Valentine's Day gift for mom...easy and inexpensive to do as a classroom project.

Tailor it to other holidays with the same simple materials and steps BY changing the shape of the foam to suit the holiday or occasion.

MATERIALS

- Foam Hearts (found at most craft stores in containers or buy a sheet and cut your own hearts out)
- Letter Beads
- Aleene's Non Toxic Glue
- Pin Back with Latch

OTHER MATERIALS

- Tray or Paper Plate to sort or place selected beads.
- Pencil with Post It Note
- Glitter Glue (optional)

STEPS

1. Select your heart or cut one out of a foam sheet.
2. Write various conversation heart messages on post it notes.
3. Have child select message and find the beads.
4. Place glue on foam, adhere beads and let dry.
5. Embellish edges with glitter glue if desired.
6. Glue pin to the back.
